# getting to know your child

We want to get to know your child so that we can build positive relationships right from the start! Please help us by sharing a little bit about your child!

If there are any special circumstances that involve your child behaviorally, socially, physically, or in any other way, we welcome and encourage a conversation or meeting ahead of the program beginning. This helps us to give each child and staff member the best possible chance at a positive, fun, and safe summer! Please let us know and we would be happy to talk with you personally!
